

To access clips fed back on Dejero, add a new site to the FileZilla Site Manager, and mimic the following:

Password: dejero (small letters)

The clips are sent within folders to Dejero. Suggest you line up Dejero contents on the right side of FileZilla by DATE and look for today's date in the folder names, then copy them somewhere to CLASS FILES or the Z drive so you can edit them (by dragging them from RIGHT to LEFT):
